

Prayer Guide for MC Family meeting 10/2/2016

At an appropriate time after dinner, get your group together to pray (either in a large group or in smaller sub-groups). The prayer focus of this time should be spent on asking God to lead your group to live on mission in the coming weeks and months. We can't figure out or accomplish God's mission in our own strength and power!

Here are some prompts to help your group pray:

- Lord, we want **to glorify you**. May our missional community glorify you in everything we say and do.
- Lord, we want **to work alongside you**. Show us how you are already working in the lives of those around us.
- Lord, we want you **to direct us**. Guide our missional community towards ways to have a truly lasting impact for Jesus in our area of town.
- Lord, we want **to show people the gospel**. Help us build relationships with those who don't know Jesus.
- Lord, we want **to share the gospel**. Give us boldness to share about Jesus and give us divine moments to point people towards the gospel.
- Lord, we want **to be strong in faith**. Encourage us to be patient and not to give up.
- Lord, we want **to see you move!** Demonstrate your power to us and through us.

After you pray, discuss and decide as a group on a location and time for next Sunday's prayerwalk at 6:00pm. Pick a subdivision or some other location in your area that your group feels would make the most sense and would give at least the potential to interact with people. We'll send out a guide for the prayerwalk next week.
