

Missional Community (MC)

Overview

Three Dimensions

Gospel (UP) – growing in the gospel and sharing the gospel of Christ.

Community (IN) – knowing each other and supporting each other in Christ.

Mission (OUT) – blessing others and inviting them towards Christ.

Four Practices

Family Gathering – typically in a home, where the MC eats, prays, focuses on the gospel, and makes plans for mission. *Frequency: about twice a month.*

Third Place – at a neighborhood spot, where the MC family can regularly spend time and invite others in the neighborhood to hang out with them. *Frequency: about twice a month.*

Bless/Serve Neighborhood – out in the neighborhood, where the MC makes a tangible difference in the name of Christ. *Frequency: varies by context, but at least once a month.*

Life Transformation Group (LTG) – disciple-making groups of 2-3, typically inside the MC, that meet for Bible intake, character accountability, and prayer for the lost. *Frequency: weekly.*
