VBS 2021!

Special thanks to everyone who volunteered at Vacation Bible School!

A Note From Pastor Vince

Vince Scarbrough
Family Pastor

There was a moment last week when it felt as though everything was right with the world. Children from tremendously different backgrounds, family situations, ethnicities, cultures, and life stages came together, thrived in relationship with each other, and had a tremendous impact on one other. Despite all the uncertainty, hatred, and strife in the world around them, they interacted with love, joy, and peace. They were kids being kids, consumed with joyful exuberance and a zest for life in the here and now. As I watched them, it was easy to forget all the bitterness, anger, and conflict

that surrounds us in the world. For those moments, I am thankful. And I am thankful for you, church family.

Vacation Bible School is so much more than a fun activity we do in the summer. It is Kingdom work, moments where we till soil, where we plant seeds, water seeds that have already been planted, and nurture plants that have taken root, all the while trusting that God will use our meager efforts for the glory of His Kingdom and our Savior Jesus Christ. I truly believe that VBS is one of the most gospel-saturated, Kingdom-focused activities that we do.

I love VBS for so many reasons, but here a few that have been on

my mind this week. First, it is *a churchwide focus*. What we do during VBS week is dependent on what takes place within this body throughout the year. A year-round emphasis on Jesus and his gospel primes our hearts to effectively share the truth of the gospel during the week of VBS. Second, VBS *involves our entire church family* – from the youngest to the oldest. It is such a joy to see the involvement of all different ages, to see lives that have already been changed by the gospel, seeking to impact other lives who have not yet been changed by the gospel. Third, VBS *unites us all in prayer for Kingdom work* throughout that week. Without your prayers, support, and encouragement, we would not have been able to do what we did during VBS week.

To all our volunteers, thank you for your willingness to faithfully serve our Savior. Thank you for serving kids through your

actions and efforts. Thank you for your dedication to gospel ministry. Thank you for serving sacrificially. Thank you for putting your life on hold during that week. Thank you for loving on kids. Thank you for standing against the onslaught of culture. Thank you for helping kids feel safe and secure. Thank you for declaring with your life and words that Jesus is your Lord and Savior. Thank you for pointing kids to Jesus. Thank you for your role in moving children from darkness to light, from death to life in Jesus Christ. And thank you for making a Kingdom impact, while all week affirming this biblical truth with your lives: “And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ.” (Philippians 1:6)
